

Proposal to Sci-Bono

Request, to Conduct Market research at Sci-Bono

Am, A YDP student who Graduated on 10 JULY 2022 with the following Cisco Academy Networking Certificates: Introduction to CyberSecurity Linux Series, introduction to IOT (Internet of things), Introduction to Packet.

I, Saved and Sacrificed (I rented a place near Sci-bono to save **Transport** money...), in order to invest in the project. I obtained funding from a sponsor **Time for Change, a non-profit Organization that deals with social work.**

With, Time and Effort Lift-Go was a Born.

I have developed LiftGo. A digital platform for hauling cabs. We are working together with Me and Mrs. Barbara Hill (head of **Time for Change Shelter**). Mrs. Barbara Hill, **Helps with a portion of The Financing and I, on the realization of the project**

Request to Sci-Bono

Lift-GO, is interested in Conducting a Mini-Market Research at, Sci-Bono Discovery Center.

Due to the traffic that Sci-Bono gets from schools (The kings discovery school, Forest town, Coronation School, North Vague Secondary, Roadfield, St davids, Weaverly girls, Mthashana college), Visitors, Traffic Departments, event caterers (School of culinary art), Sasol Science.

Technical Description of LiftGo:

- I have created a video to demonstrate LiftGo functionality.
- I have created an APP using Google sheets Apps which took me approximately 6 months of time.
- We, created a website: <https://yaetchts.github.io/uncle/> with help from the Sci-bono YDP coding Students.

Request for assistance from Sci-Bono:

- 1) Host Lift-Go at Sci-bono for 1 month. From 15 August 2023 to 15 October 2023
- 2) We like to have one of our Prototypes stands: to be exhibited on the **IT Academy November Graduation Ceremony 2023** in order to implement the findings from the (15 August 2023 to 15 October 2023) Market Research.

This would be an exhibition of my skills and competence learnt at the YDP program.

I, trust that my request would be approved.

Yours Sincerely

Samuel Kidima
